(1) The dividends declared for each fiscal year were divided into two payments.

(2) Based on the number of shares outstanding at the time the dividend is paid.

(3) Expressed in U.S. dollars using the applicable exchange rate when the dividend was paid.

(4) Since the dividend declared for the fiscal year 2017 has not been paid at the time of this annual report, the U.S. dollar per share amount has not been determined.

The declaration, amount and payment of dividends are subject to approval by a simple majority of the shareholders up to an amount equivalent to 20.0% of the preceding years' retained earnings and by a majority of the shareholders of each of the Series A and Series D shares voting together as a single class above 20.0% of the preceding years' retained earnings, generally upon the recommendation of our board of directors, and will depend upon our results, financial condition, capital requirements, general business conditions and the requirements of Mexican law. Accordingly, our historical dividend payments are not necessarily indicative of future dividends. **See "Item 10. Additional Information—Bylaws—Dividend Rights."**

Holders of Series L shares, including in the form of ADSs, are not entitled to vote on the declaration and payment of dividends.

We pay all cash dividends in Mexican pesos. As a result, exchange rate fluctuations will affect the U.S. dollar amounts received by holders of our ADSs, which represent 10 Series L shares, on conversion by the depositary for our ADSs of cash dividends on the shares represented by such ADSs. In addition, fluctuations in the exchange rate between the Mexican peso and the U.S. dollar would affect the market price of our ADSs.

Under Mexican income tax law, dividends, either in cash or in kind, paid to individuals that are Mexican residents, and to individuals and companies that are non-Mexican residents, on our shares, including our Series L shares and our Series L shares represented by ADSs, are subject to a 10.0% Mexican withholding tax. **See "Item 10. Additional Information—Taxation—Mexican Taxation."**
