Historical information

The following tables present selected consolidated financial data for Diageo for the five years ended 30 June 2017 and as at the respective year ends. The data presented below for the five years ended 30 June 2017 and the respective year ends has been derived from Diageo's consolidated financial statements, audited by Diageo's independent auditor, PricewaterhouseCoopers LLP for the two years ended 30 June 2017. The group's former auditor, KPMG LLP (KPMG) reported on the financial statements for the three years ended 30 June 2015.

Notes to the historical information

^{1.} Accounting policies The consolidated financial statements for the five years ended 30 June 2017 have been prepared in accordance with IFRS. The IFRS accounting policies applied by the group to prepare the financial information in this document are disclosed in the notes to the consolidated financial statements.

Historical information (continued)

2. Exceptional items Exceptional items are those that in management's judgement need to be disclosed by virtue of their size or nature. Such items are included within the income statement caption to which they relate, and are separately disclosed in the notes to the consolidated financial statements. An analysis of exceptional items is as follows:

					Year ended 30 June
	2017	2016	2015	2014	2013
	£ million

Exceptional items	(73)	12	155	(271)	(127)

3. Discontinued operations In the year ended 30 June 2017 discontinued operations of £55 million, net of £9 million deferred tax comprise additional amounts payable to the UK Thalidomide Trust following an agreement reached in December 2016, updates to the discount and inflation rates applied to the existing thalidomide provision and legal costs. In the year ended 30 June 2014 discontinued operations comprised a charge after tax of £83 million, net of £8 million deferred tax, in respect of the settlement of thalidomide litigation in respect of claimants in Australia and New Zealand and anticipated future payments to the UK Thalidomide Trust.

4. Dividends The Board expects that Diageo will pay an interim dividend in April and a final dividend in October of each year. Approximately 40% of the total dividend in respect of any financial year is expected to be paid as an interim dividend and approximately 60% as a final dividend. The payment of any future dividends, subject to shareholder approval, will depend upon Diageo's earnings, financial condition and such other factors as the Board deems relevant. Proposed dividends are not considered to be a liability until they are approved by the Board for the interim dividend and by the shareholders at the annual general meeting for the final dividend.
